# Annual PHA Plan PHA Fiscal Year 2000

[24 CFR Part 903.7]

## **i. Annual Plan Type:**

Select which type of Annual Plan the PHA will submit.

☐ **Standard Plan**

### **Streamlined Plan:**

- ☒ **High Performing PHA**  
☐ **Small Agency (<250 Public Housing Units)**  
☐ **Administering Section 8 Only**

☐ **Troubled Agency Plan**

## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Tuscaloosa Housing Authority was incorporated March, 1950, to provide safe, decent and affordable housing to the Tuscaloosa population. Its first development provided 160 units with 340 started shortly thereafter. THA has grown over the last fifty years to 1,235 public housing units, 813 Section 8 units, in addition to serving as contract administrator of 168 Section 8 units. THA manages several HUD grant funded programs, providing specific identified services to its residents.

The Tuscaloosa Housing Authority Five Year Agency Plan has been prepared in accordance with Public and Indian Housing Notice 99-33 as required by the Housing Quality and Work Responsibility Act of 1998. The Plan provides information regarding THA's long range goals and objectives to achieve its stated mission over the next five years. Said Plan will provide details regarding operations, program participants, programs and services and the THA's strategy for governing operational matters and residents' concerns, needs, programs and services. The Plan serves as a planning device for THA, streamlining grant and programmatic information for in-house, public and HUD submissions. The Plan will be provided to all significant others of public housing, local agencies, etc., for 45-day review and comment.

This Plan is and will constantly undergo an ongoing needs assessment to provide needed changes. All comments from significant others during the review and comment period will be accessed and incorporated as needed and required; thereby, necessitating changes to current policies and procedures.

Once a complete compilation has been finalized, it will be presented to the Board of Commissioners for review, approval and adoption at the January, 2000 Board of Commissioners Regular Meeting.

**RESIDENTS COMMENTS**

---

The Tuscaloosa Housing Authority has enlisted the advice of its Resident Advisory Board, which is composed of each development's Council officers. Several meetings have occurred at each development and the final consolidated Council/Board meeting was held on February 4, 2000.

An invitation was extended to all residents, with special emphasis on officers of the Resident Councils and the Resident Advisory Board. Eleven resident advisory members were in attendance. Election of officers for 2000-2001 was held.

The Executive Director and other staff members presented overviews and group discussions to ascertain if the residents were comfortable with the 5-Year Plan's implementation. The Executive Director informed the Council of THA needs assessment for future modernization and implementation of the energy study over the next ten years and how it would impact the improvement of their quality of living. The Director of Residents and Community Services explained the need for residents to take an active part in advising THA staff of their needs. The Director of Housing explained the recent changes made as a result of the first implementation of the energy study.

After discussions and comments of the Annual and 5-Year Agency Plan, a joint consensus was entered into that the 5-Year Agency Plan be submitted to the Board of Commissioners for approval to submit the Plan to the City of Tuscaloosa and HUD.

A questionnaire was distributed for comments. Resident Comments are available for review at the Central Office of The Tuscaloosa Housing Authority and have been made a part of the 5-Year Agency Plan.

Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The THA, in partnership with the local police department (TPD), is addressing crime in our public housing communities by supporting the Community Patrol Officer Program. Furthermore, THA supports youth programs, via contract with the Boys & Girls Clubs of Tuscaloosa, to provide an alternative to illegal drug activities, involvement in criminal acts, and association with known criminal gang members. PHDEP assists in paying for a part-time van driver, hired to make transportation assessable to all THA residents. Both the contract with TPD and the B & GC are monitored monthly via contractor written reports. The TPD submits daily patrol log summaries to THA.

## SECTION XXVI. DECONCENTRATION RULE

1. **Objective:** The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the housing authority does not concentrate families with higher income levels, it is the goal of the housing authority not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The housing authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the housing authority's computer system.
2. **Actions:** To accomplish the deconcentration goals, the housing authority will take the following actions:
  - A. At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
  - B. To accomplish the goals of:
    - (1) Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income, and
    - (2) Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, the housing authority's Tenant Selection and Assignment Plan, which is a part of this policy, provides for skipping families on the waiting list to accomplish these goals.
